FOREWORD

"All the world's a stage,
And all the men and women merely players.
They have their exits and their entrances,
And one man in his time plays many parts."

High school days are like a drama, presented in four acts. We, the students, play many parts in this drama. As freshmen, we make our entrances; as seniors, our exits. Some of us take leading parts; others of us play minor roles.

In this 1953 edition of the SPOTLIGHT, "the play's the thing."

DEDICATION

We dedicate our 1953 Spotlight to Mrs. Lillian S. Steele with love and appreciation to one that has helped us in all that we attempted in our high school life.

CLASS POEM

By Margaret Allen

Many of us build our lives
As great monuments are built
That part which is nearest the ground
Solid and foursquare,
But the tower extending skyward
Need not be incomplete,
For if we strive to build the best
God will help us build;
Our monument can one day
Stand--strong and beautiful.

CLASS PRAYER

By Harvey Shelley

Dear God:

We thank Thee for the gift of Thy Son, Jesus, who died that we might live. We thank Thee for the many blessings and opportunities that have been ours.

As we step out into a new and different life, we ask Thee to strengthen us, not only physically but also spiritually. We pray that our lives will be lived according to Thy will, and that they will be pleasing to Thee.

As we near the end of the road, we pray that our lives will have accomplished much for Thee. Keep us forever near Thee. Amen.

CLASS HISTORY

By Dot Elliott

It was a warm morning in September when the class of '53 entered the doors of Bessemer School for the first time. We were frightened at first, but under the guidance of Mrs. Wilcox and Miss Fryar we soon overcame our shyness. We enjoyed learning the alphabet, reading, and playing in the toy band.

During the next few years in the primary grades, we flourished as masters of readin', writin', and 'rithmetic. We showed great acting ability in these first years by giving such plays as "The Three Bears" and "Snow White and the Seven Dwarfs". We also enjoyed such games as hopscotch, jump rope, marbles, cowboys, and dodge ball.

In the 5th and 6th grades, we really did study some interesting and adventurous subjects. Since we were such privileged characters we got to go to Raleigh in the fifth grade and the eighth grade.

As seventh graders we had the privilege of going to the high school library, which was something quite exciting because we got to see the high school students.

In the eighth grade we had our first taste of changing classes. We really felt important that year. We started the year off with a big bang, a formal Christmas party was given at the Policeman's Club.

We got our first genuine taste of high school life as Freshmen. We were allowed to choose our own subjects and change classes. At the end of the year we had a class party at the Youth Center.

As Sophomores we were looked upon more favorably by the teachers and students. At the end of the year we had a class party in the old cafeteria.

In our Junior year we really began to take a part in things. We had five junior marshalls and other students that belonged to the Beta Club, Dramatics Club, Glee Club, and the F.H.A. Club. We had two boys to win all-county honors in football and one all-county baseball player, Raymond Pennington. The climax of our Junior year was the Junior-Senior Banquet which we gave in honor of the Seniors at the Starmount Country Club. The theme of the banquet was graduation and the little paper boys and girls, dressed in graduation gowns dotted the tables making a very pretty picture. Memories of that night will never be forgotten by our class.

The Senior class got off to a good start this year. We welcomed back an old senior teacher, Mr. Bolen. We also had three new coaches, Mr. Brookband, Mr. Bryson, a former graduate of Bessemer, and Mr. Phibbs. Our football team was made up of 12 Seniors of the first 13. This team went on to win the County Championship. They remained unscored on in the county and undefeated in all games. Three of the senior players, Raymond Pennington, Jack Simpson, and Harold Smith, made all county honors and Raymond Pennington went on to play in the Shrine Bowl Game at Charlotte. Several of our boys have been offered college scholarships.

Our annual got underway the first of the year and we were sure that it would be the best yet, and it is.

We also had quite a few television stars in our class. Our whole football team was on television as well as the Dramatics Club, which gave a skit from the play, "A Girl Named Pat", which was a great success.

We took a day off from school and made a trip to the mountains. It took two buses to carry this huge and great class of seniors. We really had a good time.

We looked forward to the Washington Trip and our last school banquet, the Junior-Senior Banquet, which came in the Spring.

Our school life has really been a happy one and it is with regretful sentiments that we leave this, our second home for twelve years.

LAST WILL AND TESTAMENT

By Dot Woodard

Bessemer High School

City of Greensboro

County of Guilford

We, the Senior class of 1953, being of sound mind, do hereby declare this to be our last will and testament; hereby rendering null and void, any former wills and bequeaths that may have been previously made.

We leave no special instructions regarding our departure, but we hope to be remembered in the days to come for all our many virtues and accomplishments.

It is to be understood that this is the composite will of the sixty-two separate souls who are combined into a powerful organization known as the Senior Class.

Item I

To our principal and faculty we leave thanks for a job well done, as well as the pleasant memories of our four wonderful years through which they have guided us.

Item II

Oh! You lucky "Seniors to be", Juniors that you may be now, we are leaving you many varied and valuable possessions and privileges!

We leave you the ability that we never had for being able to plan and carry out class activities. We also bequeath upon you the ability to go to the corner any time during the school day without being caught.

Item III

Give thanks, O lowly Sophomore, with the allegedly honorable title of Junior, you are being left

the well-known nerve of the Seniors. Use it well and your pathway will be smoothed by it, but remember that a man's hardest fall is over his own bluff. We also bequeath to you our good will.

Item IV

Freshmen, rejoice! This is the thing that comes once in a lifetime. Along with the presumptuous rank of Sophomore, we give you the privilege of striding up and down the halls as if you were really important. We will also give you what is left of our patience for you will need it to endure the shortcomings of the Juniors.

Item V

To our most recent offsprings, the new Freshmen, we leave you judgment that we never had to make decisions. We leave you good will and persistence for you will need them both in the years to come. We also leave you the right to fill the vacant places on the varsity teams.

Item VI

To the school we give the right to gaze with admiration upon the seniors who have achieved so much in their four precious years of high school.

SCHOOL FIGHT SONG

O, come on B. H. S. and fall in line,
We've got a team that plays it everytime,
And for our dear ole school we'll yell and yell,
And for our dear ole school we'll yell and yell and yell,
And then we'll fight, fight, fight, fight everytime,
And on to victory we'll surely climb.
We'll knock all other high schools in the socks,
Good and hard, B. H. S., Rah! Rah!

Just as the work behind the scenes is a very important part of a play, so are the elementary grades an important part of our school life. This year the elementary grades have meant a great deal to us at B. H. S.

Compliments of

CLOVER BRAND DAIRIES

Apologies to Poetess Stein. A rose may be endlessly a rose; a job is more than just a job.

A job is a living.

So when you look for a job, you want security, good pay, assurance of raises and opportunity to advance.

Telephone girls find all these things and more in interesting and important jobs in a growing industry.

Why not come in and talk with us about a position at the Telephone Company?
